- (viii) physical environment (and any similarity to providing service in Trinidad and Tobago);
- (ix) benefits delivered to customers (price reductions, new services); and
- (x) customer service programs (Total Quality Management programs, service standards, service measurement).

E. FINANCIAL STABILITY

E.1 Audited Financial Statements

The application must demonstrate that the Transferee has or has access to the financial resources to perform all of the obligations contained in the concession, including the build-out of the network and provision of the services authorized by the concession. The Transferee must also demonstrate a track record of sound financial stability and management to satisfy the Authority of its ability to

properly manage its financial affairs in a manner which will ensure continuity of services to the public in Trinidad and Tobago. Financial stability should be demonstrated through provision of the following information and documents:

- (i) Audited statements: The Transferee must provide audited financial statements of the Transferee for the preceding three (3) financial years. For newly incorporated companies, the audited financial statements of the holding, parent, or affiliated company with the closest relationship to the Transferee must be provided.
- (ii) In the event of a reliance of a Transferee from a Guarantor, the financial statements of the Guarantor shall also be provided.
- (iii) Statement of the Transferee's overall turnover and its turnover in respect of the services to which this contract relates to, for the three (3) previous financial years and the Transferee's equity.
- (iv) The Transferee shall demonstrate that the average of the Transferee's cash flow from operating activities based on its Financial Statements ("Operating Cash flow") is not negative. In the event the operating cash flow is negative, the Transferee shall demonstrate that the ratio between the absolute value of its average cash flow for all three years and its equity is lower than 25%.

Note:

(1) This section will not be applicable to a newly incorporated company which is not affiliated with any existing company. Such companies are not required to submit historical financial statements.

(2) Micro and small companies which are already in operation at the time of submission of the application may submit statements certified by a qualified accountant (as recognized by ICATT), in lieu of audited financial statements.

E.2 Financial Support

The proposal must provide details, with adequate proof, of the existing financial resources of the Transferee including:

- (i) Details of capitalization of the Transferee identifying debt and equity capital and including any investments, credit reserves and other financial resources.
- (ii) Description of continuing access to capital and financial capacity, including investments, revenues, credit reserves and other short and long term financial resources.
- (iii) If Transferee is relying on a Guarantor, the Transferee shall provide a letter of Guarantee from the Guarantor indicating their willingness to lend to the Transferee, the capital level required for undertaking the project, should he be awarded the contract.

- (iv) In the case of a joint venture, each joint-partner shall be assessed on his own financial capability in taking up his share of the contract. However, if any of them cannot meet the required capital level for undertaking his share but the other participant(s) of the joint venture has met the financial criteria for undertaking the whole contract, the joint venture may still be regarded as satisfying the financial requirements collectively.
- (v) Definitive proof (in the form of the letter from a bank or financial institution) of the Transferee's ability to fund the Performance Bond, where applicable, which is due within seven (7) days of the award of the concession, if applicable. This may take the form of a statement from a recognised financial institution indicating their willingness to provide the financial support required to the Transferee should he be awarded the Concession.

E.3 References

Transferee must provide at least two original, signed references from a regulated financial institution indicating the Transferee's financial standing, one of which must be from a recognized bank or other recognized financial institution with which the Transferee conducts its ordinary banking business. References must be dated no more than ninety (90) calendar days prior to the date of submission of the proposal.

Under Anti-Money Laundering (AML) and Combatting the Financing of Terrorism (CFT) compliance rules, the Authority may seek other methods of disclosure, as appropriate, and may request further information in this regard

F. VIABILITY OF PROPOSAL (BUSINESS PLAN INFORMATION)

F.1 Financial Projections and Plans

F.1(a) Feasibility Analysis

A comprehensive financial plan must be developed and submitted. This plan will include a feasibility analysis for the development of the company's operations. A financial projection for 5 years must also be submitted. The financial projection must include:

- (i) All assumptions made in estimating and forecasting costs. The financial projections should be calculated assuming constant prices.
- (ii) Annual balance sheet.
- (iii) Annual profit and loss accounts.
- (iv) Annual cash flow statement.
- (v) Relevant accounting ratios (including current assets to liabilities ratio, debt to equity ratio and interest coverage ratio).

F.1(b) Risk Assessment

The applicant must submit a thorough risk assessment of the organisation's proposed business plan.

F.2 Service and Marketing Plans

F.2(a) Market Assessment

The applicant should describe the market assessment it has conducted in its business planning activities, including any revenue or traffic forecasts, consumer studies, price analysis, and estimates of market share to be gained as well as its proposed marketing and pricing strategies.

F.2(b) Service Descriptions and Roll-out Plans

The applicant must provide a detailed description of the services it intends to provide under the concession, including its plans for service rollout, the specific markets to be served and the means of service delivery.

F.2(c) Customer Service Standards

The applicant must provide a detailed description of all customer service standards to be implemented (where relevant).

F.3 Technical Proposal

The applicant must provide detailed information regarding the equipment, systems and/or network facilities **relevant** to this application, including:

(i) Network/Systems Design:

- A detailed description and specification of the technology to be used, including its compliance with international standards or any equipment standards established by the Authority; and
- A network overview that includes information on the applicant's proposed network topology, proposed network capacity and any requirements or proposed points for interconnection (if applicable). (The network overview should also indicate any need for radio frequency spectrum and the relevant licence application(s) shall accompany this concession application form);
- A detailed propagation model/map where applicable; and
- Where necessary, an indication of the intent to collocate on existing facilities and if the relevant applications for these facilities have been approved.

(ii) Rollout Plan:

- A detailed description of the applicant's proposed network rollout plan. At a minimum, this plan must include the population/geographic coverage plans and rollout timeframes for the relevant networks and/or services during the rollout period. A roll-out coverage map will be preferable;
- Plans for the acquisition and installation of all required facilities and equipment capacity; and
- A forecast for expected growth of the network or service demand.

(iii) Quality of Service Plan:

- Identification and description of technical QOS commitments for both wholesale and retail services;
- How the applicant proposes to meet its quality of service commitments; and
- Reference should be made to compliance with applicable quality of service standards.

F.4 Organization, Facilities and Management

Please provide the following information:

- (i) An organization chart showing management functions and titles;
- (ii) Summary resumes for all senior management;
- (iii) An employment plan showing how the applicant will ensure it has suitable skilled staff, including through employee training and development;
- (iv) The level of proposed regional employment by the company;
- (v) The internal structure and operation of the company, including its divisions or departments (and related management positions). Details of the departments' functions should also be provided;
- (vi) Plans for the construction, lease or other acquisition of the facilities it needs to achieve its business and service plans; and
- (vii) Principal auditors, legal and financial advisors to the company.
