Determination: Retail Domestic Mobile Telephony Market Definition

(2nd Round)

16th October, 2023

The Telecommunications Authority of Trinidad and Tobago wishes to advise stakeholders of the following amendments to the Determination: Retail Domestic Mobile Telephony Market Definition, published by the Authority on 29th September, 2023.

Section of Document	Description of Modification	Previous Text	Correction/Modification
Key conclusion 4.4	Revision of the statement on service substitutability, by inserting the omitted texts “none of”.	Taking into account of demand-side and supply-side considerations in both cases, the Authority concludes that these services form part of the same product market as retail domestic mobile services.	Taking into account the demand-side and supply-side considerations in both cases, the Authority concludes that none of these services form part of the same product market as retail domestic mobile services
